Now, first off I should say that my original intent here had been to upgrade my last article – "Have I taught You Nothing" – which centered around the faked death of Charlie Kirk, but as the story began to expand in the press this approach proved to be impracticable.

Therefore – *given the difficulties involved in adding a large update* – I decided that a whole new article was the best way forward. However, I do suggest that you read the afore mentioned article first and to further understand how these affairs are faked you would all be best off having digested my series of articles (the last is mostly complete but still to come) starting with: A Bionic Man – Or Just Another Corrupt Little Man?

Now, like all faked government sponsored bollox, the Charlie Kirk shooting began with ever changing press reporting on the matter, such as two different assassins & Charlie being stable in hospital, right through to his settled on killer (Tyler Robinson) and Tyler's love for his transgender room-mate.

Two people were arrested soon after the shooting, but were later released. One was a libertarian conservative who was arrested on campus grounds after claiming to have shot Kirk. The arrested later told police he "was glad he said he shot the individual so the real suspect could get away". He reportedly had a history of mental health issues and was known to Utah authorities for his habit of disrupting public events. He was then taken to a hospital. After his release on September 14, he was booked into jail for obstruction of justice; after police discovered images of child sex abuse on his phone, he was also charged with sexual exploitation of minors.

Hours after the shooting, FBI director Kash Patel announced on social media that "the subject" in Kirk's assassination had been apprehended; Utah governor Spencer Cox said that a "person of interest" had been detained. Within two hours of making his initial announcement, Patel said that the subject had been "released after an interrogation by law enforcement". – Wikipedia

Course, it is quite ironic that the first suspect stepped forward of his own accord and was later found out as being a nonce – Given Kirk's stance on kiddie fiddlers:

Mind you, the story became even more ironic when the settled on assassin – *Tyler Robinson* – professed his love for a lady with a willie, named as being Lance Twiggs.

Especially given mind to the [new] fact about Kirk going on about Transgender shooters seconds before he was shot:

Charlie Kirk was talking about transgender gun violence when he was shot dead in the college campus assassination which has shocked America.

Kirk was shot dead by Tyler Robinson – a radical leftist 22-year-old who was in a romantic relationship with his transgender roommate.

Just seconds before Robinson opened fire from 200 yards away, Kirk had been addressing a liberal audience member who was arguing that transgender mass shooters are misrepresented in the media. Source

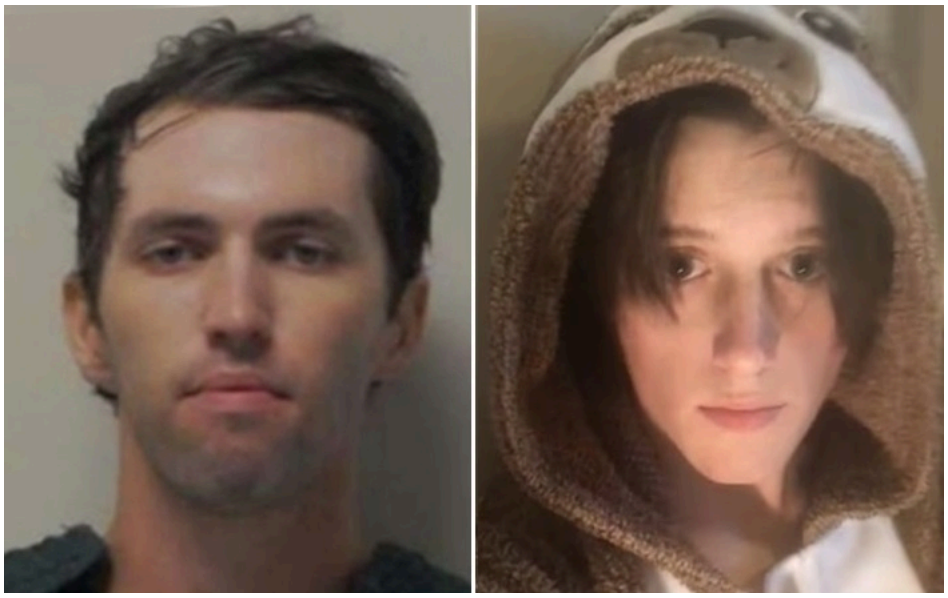
Now, once again you have to ask yourself why his security staff had not flown drones over the area being as Kirk was such a high profile mush, it was deemed necessary for him to wear a bullet proof vest.

Moreover, nobody really questioned how Robinson – *obviously, as per the usual script being from a religious, good middle class family* – was able to make the 200 yard shot. I mean, not considering how nervous he must have been, you would have thought that he would have aimed for the larger target of his chest as opposed to his neck, unless he somehow knew that Kirk was wearing a bullet proof vest.

And let's not forget the fact that Robinson also unfathomably turned himself in on the night of September 11th when in fact he had no need to do so at that juncture… Meaning that he will now spend the rest of his life without his Twigg-let… A pointless endevour then.

After all, on the anniversary of 9/11 the FBI had nowt to go on although the obligatory false-flag grainy video images of Robinson later materialized.

Nevertheless, it would seem that Ladyboy Twigg was not like most shemales and tended to stay away from selfies… In fact I can only find three images of Lance on the internet, non of them particularly clear… Yet the best one, released in conjunction with Robinson's mug shot had them looking very much like each other.



And of course, this type of thing is particularly popular with the Monsters as it is a real piss-take out of the brain-dead populace.

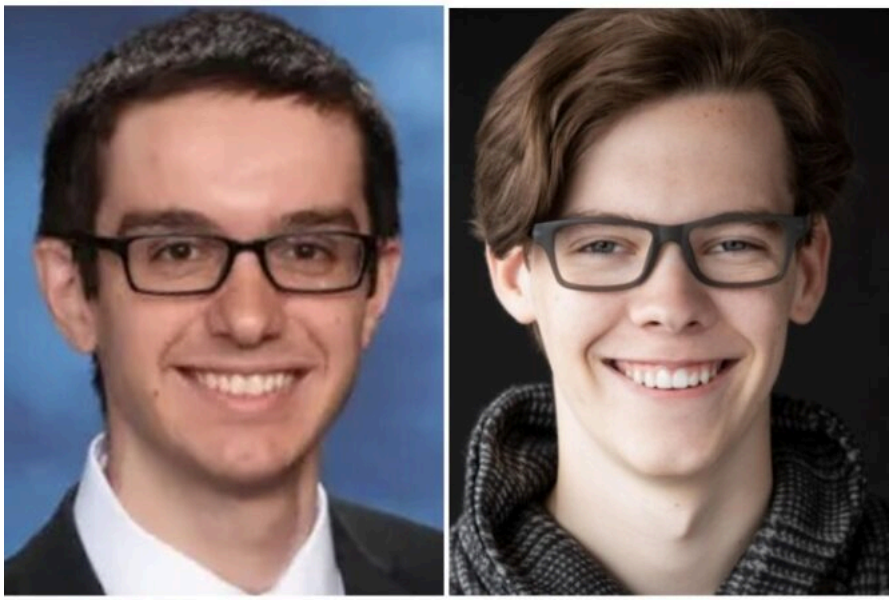
And again

Good that innit?

Course, as in all faked old fanny such as this there are multiple identical looking personalities with the same name… Always almost exclusively with high flying jobs such as CEO's, Doctors, Lawyers, etc, etc.

And in this case we have Doctor Tyler Robinson:

Dr Tyler Robinson & Assassin Tyler Robinson whose photo I have reversed so check out their ears.



Dr Tyler Robinson & the actor, Tyler Robinson.

Then again, our assassin, Tyler Roberts is also portrayed as being extremely intelligent, although there is no mention of him being a Doctor obviously.

Furthermore, in order to give the made-up character Charlie Kirk greater credibility in regard to him being a genuine person; American Security Service leaked conspiracy theories were released into the public domain – as per the usual way via Twitter:

Which is always par for the course in fake events.

And so as a way to bring this section to an end, let me remind you that – *as I have shown in the past* – porn stars often play a role in these fake events.

Which I would imagine is to do with the fact that porn stars are very easy to bribe and have very loose morals.

Okay, let's now focus on Charlie Kirk's 'Widow' Erika, whose behaviour since the fake murder has been nothing short of bizarre… Not least being that three days after the shooting, the supposedly grief stricken mother of two very young children declared on National Television that she forgave her husband's killer!

Furthermore, what kind of grieving widow allows herself to be photographed & videoed at their murdered husband's open coffin?

The Charlie Kirk situation is portrait the most emotionally charged and publicized event in America since the George Floyd situation. In fact, it is the "conservative" equivalent of the Floyd situation. It's a massive rage-bait propaganda campaign, an emotional energy-harvesting ritual designed to further chain people in identity politics (left vs right), a continuity of agenda to DIVIDE AND CONQUER. Personally, I have more important topics to cover and compile information on but this is currently dominating the political discourse in America and bears the markings of the Masonic Lodge all over it.

Now, to the actual content I've provided below...you can deem this as insensitive, disrespectful, or whatever you want. I Don't Care. Block, Unfriend, or unfollow. I'm not posting here for your Facebook "friendship" or your likes or to cater to your delicate sensibilities that are easily manipulated by cunning and incessantly repetitive propaganda.

I'm on here to speak the truth while I can, and those with the Holy Spirit of TRUTH indwelling in them know my message resonates with that Spirit of Truth though I cannot categorically prove everything beyond a reasonable doubt.

Ask yourself this, when have you EVER seen a grieving widow allow (or ask) someone to record them on video grieving over their recently murdered spouse (just 3 DAYS AGO) in a casket? And then post it to social media?

When have you ever seen such a thing recorded and posted to social media from ANY funeral or viewing regardless of the circumstances of the death? Thats because it DOES NOT HAPPEN. It's not a natural inclination to want yourself to be recorded and posted all over social media when you are absolutely stricken with grief. Did she say to her friend or family member "please record me crying and saying I love you as I caress the corpse of my recently murdered husband" ? Ridiculous. I've been to plenty of funerals and viewings in the age of social media and smart phones and I've never seen anyone pull out their phone to make sure to document and record the event. That is something shared in the moment with family at a time of great sorrow and anyone doing that and trying to put it on Instagram or Facebook would be ACCOSTED.

This is completely contrived and designed to provoke a strong, emotionally charged response and feeling (just like the entire George Floyd situation). They seek to trigger an emotional response of empathy and/or anger/rage that completely dismantles any state of apathy in their target group (in this case, conservative-identifying Christians) . It further MOTIVATES people for a cause. This is why you see so many people who do not normally pay attention to any current events whatsoever getting on their soap boxes and piping up on social media and in person to voice their outrage (JUST LIKE WITH GEORGE FLOYD).

And there right on her finger is the stamp of the Masonic Lodge on her ring (G for Gnosis and/or the generative principle and the "Grand Architect"-Lucifer), their signature over the entire event. All she's missing is the compass and square.

When the people need a hero or a "martyr", the Fraternity of Freemasonry supplies them.

And surely that hand of Charlie's is made of wax?

Moreover, Erika has been portrayed as being very close to the criminal nonce President Donny Fart… Which further goes to prove that my extensive writings on Trump are accurate & true.

Nevertheless, Erika can claim whatever obscure reason she likes for the hand signal in the above photo, but hopefully we all know what it really means.

However, I have little doubt that Erika is indeed very close to Kiddie loving Trump… I mean Trump was supposedly first acquainted with Erika back in 2011 when she took part in – *and won* – the Miss USA beauty competition:

Miss USA was a sister organisation of Miss Universe, which Trump once owned for 19 years before selling it in 2015. The picture shows Erika posing in front of a panel which has 'Trump International Hotel Las Vegas' printed on it.

Erika won the Miss Arizona USA title on her 23rd birthday in November 2011, which provided her with a stepping stone to compete in the Miss USA competition.

One person took to X (formerly Twitter) to share the revelation from the pair's past.

They wrote: "Oooooh. Erika Kirk competed in the 2012 Miss USA competition, which was owned by Trump. Her talent portion for the Miss Arizona contest was performing a dribbling exhibition with two balls.

"Her website still lists contact info to book her for modeling and acting." – Source

PHOTO: Erika winning the Miss USA beauty pageant.

However, I would bear in mind that this old fanny may well be just further misinformation leaked by the Monster Minions in order to covertly give the Kirk's validation.

After all, Erika (now supposedly 36 yrs old) has not changed in looks; going on the above photo apparently taken 13 yrs ago when she was 23 yrs old.

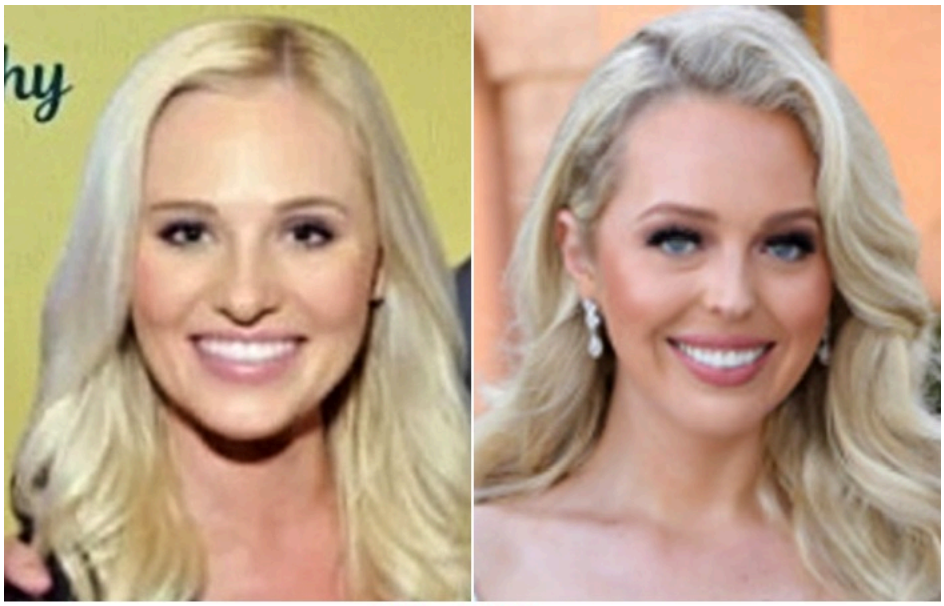
And more telling still is the fact that it was pointed out to me by an eagle-eyed Facebook friend of mine named Ian, that Erika is identical to Vagina Giuffre – the young bird that Princess Andrew was supposed to have shagged.

Vagina was touted as being 17 yrs old when handed to Randy Andy by Jeffery Epstein… A very close friend of Donny Trump.

And in contrast to Erika, the young Vagina looks fuck all like her older self.

Except for sometimes:

Whereby on these occasions Erika would look more like Tiffany Trump or Iryna Zarutska – whose fake murder is also linked to the Kirk fiasco:



Erika & Tiff

Erika & Iryna

Nevertheless, there can be no denying that the 41 yr old Vagina Guff is identical to the 36 yr old Eureka Kirk.

Erika & Vagina

And again

And again

And from there I went on to discover just how much the pair looked like White House Spokesperson, Karoline Leavitt.

In turn, that would also make Karoline a close associate of Donny Fart… Yet despite the glaring evidence to the contrary, many members of the Wide awake Club still believe Trump to be a hero!!!

Nevertheless, Karoline also further links the fake murder of Iryna Zarutska to the Kirk bollox:

Because as you should now know, everything has to link to everything else. And do take note just how much Sweet Karoline looks like Iryna Whatsaface in the above photo.

But all the same (no pun intended), as for Karoline looking very much like Erika and Vagina Guff? Well let's look at the evidence:

Erika & Karoline

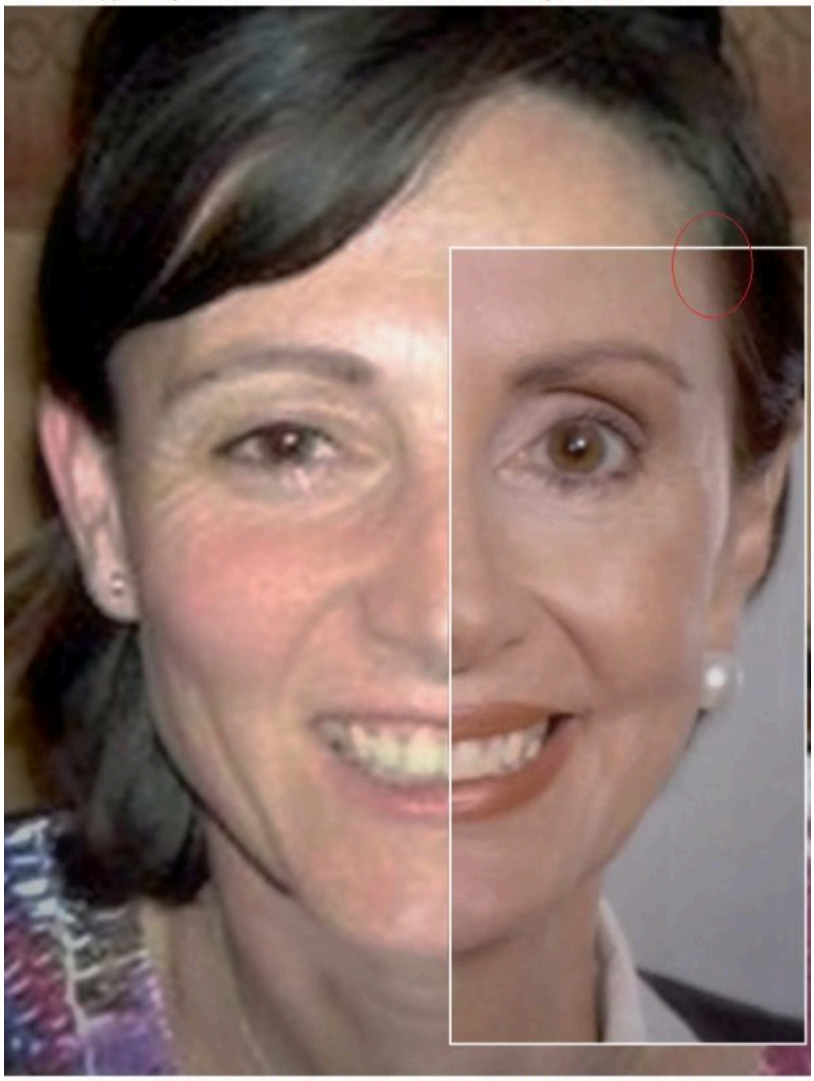
And again

Karoline & Vagina

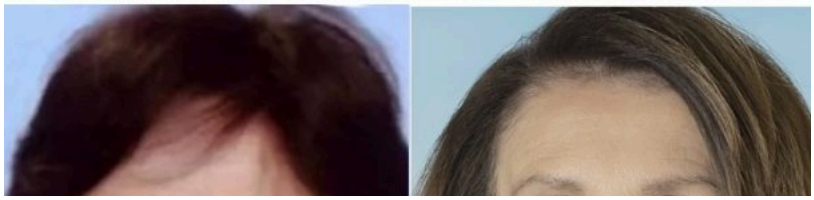
And of course this would be far from the first time that a senior white House official has taken part in a fake event.

For instance, former Democratic Leader Nancy Pelosi played the part of Mrs Andrew Hoare (whore) who was supposedly killed in the fake Malaysian flight MH17 air crash.

Mrs Hoare & Nancy Pelosi... And to get a comparison we will need to cut out Hoares digitally lengthend chin. The arrow indicates where Hoare's chin was originally.
However, you only need look at the nose & teeth to see that they are one and the same.



And once Hoare's chin is restored to it's original, you can see how ridiculous that thick black line is.



Hoare & Pelosi - 10 years between photos.

And at the time of that fake MH17 event, Old Nancy was at the height of her political power and was indeed very vocal about the old bollox.

You can in fact read a lot more about flight MH17 on my expose of Trump found HERE.

Furthermore, it would appear that Kayleigh McEnany, Trump's spokeswoman from his first term in office, is also in on the act:

Erika & Kayleigh

And if you have read enough of my stuff, you will know that the same type of shit happens over here.

Course, with the jumping on the bandwagon in the vomit inducing pouring out of grief for Charlie Kirk, I suspect that quite a few newbies may find their way to this article. However, have I have constantly pointed out; my site is not designed for such readers and as a consequence they will not understand how all this is made possible.

So to those newbies and the very many people referred to in my previous article: "*Have I Taught You Nothing*", I would refer them to my very indepth article: "This Is How We Do It, Do It", which tells you in great detail exactly how it is done and is the 2nd installment to my previously mention article: A Bionic Man – Or Just Another Corrupt Little Man?

And talking about my last article: "*Have I Taught You Nothing*", it would appear

been paying attention – albeit you are in a very tiny minority… Still, hope springs eternal.

Just sayin.
